

## “Inspiring a love of learning”

### Our purpose

To provide an inspiring and holistic education where every child can excel in preparation for an independent and fulfilling life.

### Our values

- Respect
- Courage
- Growth
- Passion
- Togetherness

### Our vision

Our vision is that every pupil:

- respects themselves, others and the environment
- embraces challenge within our safe and nurturing setting
- grows and thrives in our school community
- becomes a thoughtful and responsible young person
- works hard and strives to fulfil their potential
- acquires a love of learning, a joy for life and spiritual wellbeing

### We believe that

- our vision and values should translate into a daily reality across our whole school community
- high standards should be set and maintained in all aspects of school life
- our school should be open and welcoming
- pupils should be empowered to have a voice and be listened to
- learning should be active and fun
- the school team should work collaboratively with families and the wider community to improve outcomes for children
